

Upland Habitats and Impact of Herbivores

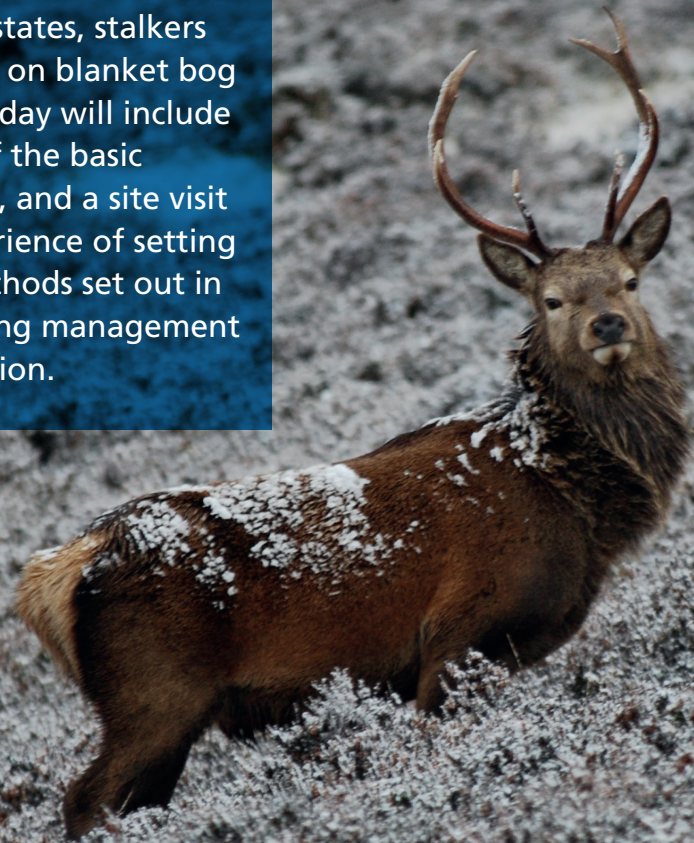

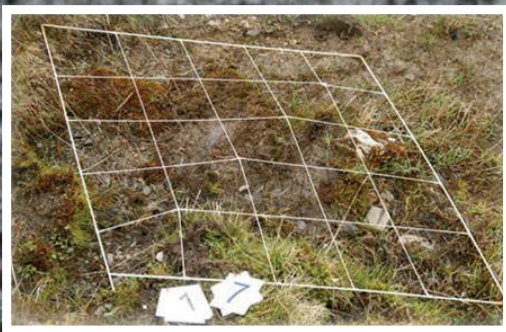

National Advice Hub
T: 0300 323 0161
E: advice@fas.scot
W: www.fas.scot

Dates Tuesday 1 August 2017
Time 10.00am - 4.00pm
Venue Glen Tanar Estate, AB34 5EU

Friday 4 August 2017
10.00am - 4.00pm
Atholl Estate, PH18 5TH

The events are targeted to upland estates, stalkers and managers to help assess impacts on blanket bog and upland heathland habitats. The day will include an indoor session looking at some of the basic principles in the Best Practice Guides, and a site visit in the afternoon with practical experience of setting out quadrats using the standard methods set out in the Best Practice Guides and discussing management to achieve favourable habitat condition.

Please contact either Gillian McKnight or Mike Cottam (Cairngorms National Park Authority) gillian.mcknight@sac.co.uk or mikecottam@cairngorms.co.uk or go online to the FAS website www.fas.scot to book your place
